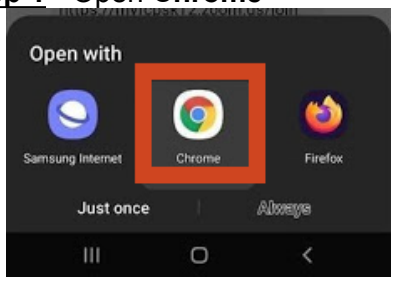
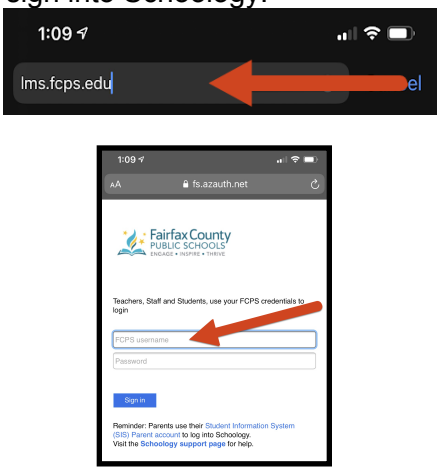
How Students can Download Zoom on their Android Device

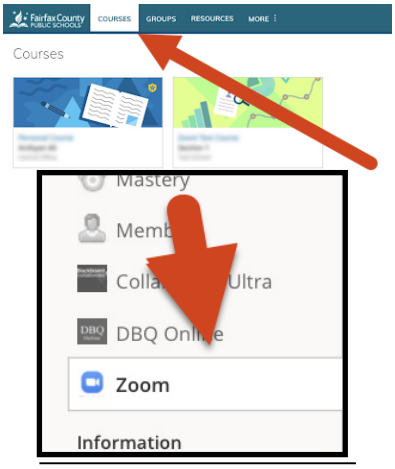
Step 1 - Open **Chrome**



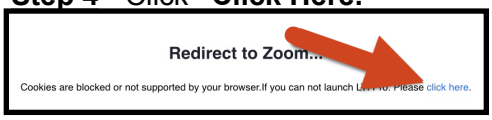
Step 2 - Go to *lms.fcps.edu* and sign into Schoology.



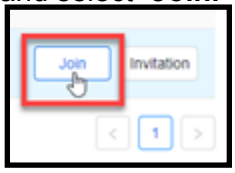
Step 3 - Go to your scheduled **Course** and click on the **Zoom Tab.**



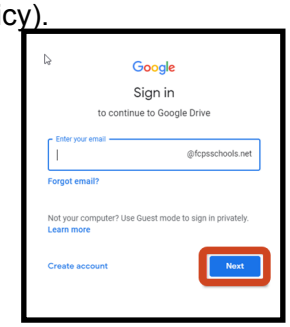
Step 4 - Click **"Click Here."**



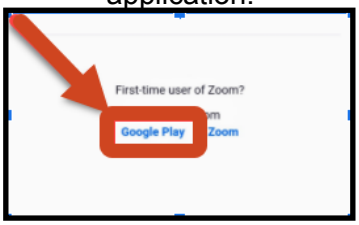
Step 5 - Find the meeting that you'd like to join either in **Schoology → Upcoming Meetings** or was sent to you in Email, and select "**Join.**"



Step 6 - Sign into GSuite with your @fcpsschools.net email address (you may need to click **Agree** to an Android Use Policy).



Step 6 - Click on the Google Play Store to download the Zoom application.



Step 7 - Click Install to download Zoom. Once installed- click open.

Step 8 - Return back to Schoology and click on the **Join** meeting link next to your scheduled meeting.
